

## Create Partnership Trust

### Birmingham

*Creating futures through our shared values of excellence, partnership and perseverance*

## TRUSTEES TO JOIN THE BOARD OF DIRECTORS

Required for September 2018

### VOLUNTARY POSTS

The Members of Create Partnership Trust are seeking inspirational individuals with a background in Public Health, School Improvement and Human Resources or one of the following: Audit/Risk, Facilities/ Estates Management, Legal, Marketing/Branding or IT/Infrastructure to work with us to implement the next stage of our growth plan and journey to excellence.

**The trust seeks up to 3 individuals who can commit to the values and principles of the trust and its schools, possess short and long-term strategic vision and good, independent judgement. In addition to a willingness to speak their mind, understanding and acceptance of the legal duties, responsibilities and liabilities of trusteeship and an ability to work effectively as a member of a team.**

Could you add capacity and to our Trust and it's schools and bring fresh ideas, experience and positive challenge?

- Your good governance can support outstanding leadership and can help support and make the difference to the Trust's performance.
- You will understand how the building of high quality services is fundamental to Multi Academy Trust development and further growth.
- You will recognise that our MAT growth will help us to *create futures* for our current 2,200 pupils and give them the aspiration and security they deserve to form the next 21<sup>st</sup> century generation.

Create Partnership Trust was formed in September 2016 by **Greet Primary School** and **Conway Primary School** which had been federated for several years. They were joined in January 2017 by **Hodge Hill Primary School** as a sponsored school. **Greet Teaching School** is the fourth partner in the MAT. All are supported by **CREATE CENTRAL**, a growing team of specialists building the MAT's infrastructure.

*The vision for Create Partnership Trust encompasses the growth of an inspirational family of schools, built on a peer support and challenge model, so that barriers to optimum achievement are removed and where effective practice is systematically shared.*
