Statement of intent

Create partnership Trust is committed to maintaining the confidentiality of its information and ensuring that all records within the Trust and its Schools are only accessible by the appropriate individuals.

In line with the requirements of the General Data Protection Regulation (GDPR), the Trust also has a responsibility to ensure that all records are only kept for as long as is necessary to fulfil the purpose(s) for which they were intended.

The Trust has created this policy to outline how records are stored, accessed, monitored, retained and disposed of, in order to meet the Trust and School's statutory requirements.

This document complies with the requirements set out in the GDPR, which will come into effect on 25 May 2018. The government has confirmed that the UK's decision to leave the EU will not affect the commencement of the GDPR.

The retention periods outlined in this policy are good practice guidelines only, and Trust Schools should ensure that they consider requirements specific to their school when implementing these timeframes. The tables for retention periods are based on information provided by the Information Records Management Society (IRMS) and are not an exhaustive list of records that may be kept by schools. Where the IRMS has not provided guidance for disposal methods or retention periods, good practice recommendations have been provided in as indicated.

Signed by Create Partnership Trust DPO:

Deputy CEO

Date: 21 May 2018

An additional copy may be placed in the pupil’s file in the event of a major accident or incident.
- 3.9. The school will ensure that no pupil records are altered or amended before transferring them to the next school that the pupil will attend.
